

Appendix E

Student handout: Choosing a political candidate

What makes a good political candidate? Create a list of qualities and characteristics you would like to see in a political candidate. When you enter them on this chart, enter them in order of importance to you. Then do some research to consider the candidates running in the electoral district that your class is examining. For each criterion, evaluate the degree to which the candidate's ideas reflect the characteristics that are important to you.

Candidate:	Electoral District:
